Listed below are the answers to the most commonly asked customer questions. We hope these will help you to place your order efficiently so you can avoid the time and trouble of calling us.

## 1. *Q. How do I place my order?*

A. WE MUST HAVE PAYMENT IN FULL WITH ALL ORDERS AND WE MUST HAVE OUR ORDER FORM COMPLETED. DO NOT submit an order without payment. DO NOT submit the Order Listing. Keep this for your records. You can place your order in one of any of the following ways:

1. On line at **GRADUATEAFFAIRS.COM** with a credit card for payment. **SAVE 5% ON TOTAL ORDER BY ORDERING ONLINE!**
2. By fax with a credit card for payment.
3. By mail with a check or money order for payment. DO NOT send individual checks from each student! Make all checks payable to: **Graduate Affairs** and mail to the address found on the bottom right hand corner of the order form.
4. By fax or mail with a school purchase order. Minimum order \$100 plus shipping & handling on all purchase orders. Terms net 10 days.

## 2. *Q. Is there a minimum order requirement?*

A. We have a minimum pre-paid order of \$25 plus the shipping & handling on all single FIRST TIME orders. Orders placed by purchase order require a minimum \$100 plus the shipping & handling. Add on orders placed after the main order has been submitted will only be charged the actual retail cost of the merchandise ordered plus the applicable shipping & handling charge.

## 3. *Q. I already placed my main order, but now we have a new student that needs a gown. Can I just add it to the order I already placed?*

A. No. We process hundreds of orders a day during our peak season months of April, May & June and it becomes very difficult to add on to your main order. In fact, your main order probably has already shipped! YOU MUST SIMPLY PLACE A NEW ORDER following the information found in answers number 1 & 2 above.

## 4. *Q. How do we measure the children?*

A. Children should be measured head to toe with their shoes on according to the diagram. **Gowns are tailored to fall mid-calf on the child.**

## 5. *Q. Should we measure each child's head?*

A. No. Caps are designed as a one size fits all cap with a piece of elastic on each side of the crown.

**6. Q. *Can we wash or dry clean the gowns?***

A. Neither is advisable because some color loss could occur and the fire retardancy that has been applied to the fabric will be reduced. The gown is designed to be worn and saved by the graduate as a souvenir of his/her first graduation.

**7. Q. *How long will it take us to receive our order?***

A. We will ship your order to arrive at the required destination within two weeks from the date your order is received and paid for in our office.
